Color Guard is a unique and essential part of the band program! Students in the group dance, spin flags, and toss rifles as part of the marching band show. One of the best things about this group is any high school student or 8th grader can join, even with no previous band experience. We have a great set of instructors that work solely with Guard.

Concert Band MPA Receives Superior Score

Congratulations to the 2022 Concert Band for receiving a Superior score at the MPA Performance.

Students in Mr. Brown's 3rd and 4th-period classes participated in **MPA** on March 30th. MPA stands for Music Performance Adjudication. The band prepared three pieces and sight-read a piece, all in front of a panel of judges. The band received a rating of Superior which is the highest rating possible in both their stage and sight-reading performances. Congratulations!

Band students also acted in the play and worked back stage; Nate Ogden, Chasey Horne, JoJo Cooper, Heather Moffatt, Ashley Rogers, and Amelia Pressley.

Excellent performances by everyone!

Indoor Percussion Championships

Indoor percussion finished their season with a championship performance on Saturday, April 2nd at Dorman High School. This year's show was entitled "Totem". The group had a fantastic run of their show and received the bronze medal with a score of 88.3 which is a very high score in this activity. This group is made up of 20 high school and middle school students with a majority of students learning how to play a percussion instrument for the first time. Thank you to everyone who helped make this season possible!

Ask about the Uniform Fundraiser

North Buncombe High School's Marching Blackhawks is a community class act! You will find us marching down Main Street in both October and December, adding musical excitement to every home football game from August through October, and representing the North Buncombe School District at regional marching band competitions during September and October. Lots of people see us. They are seeing us in uniforms that are 18 years old, (and we purchased them used)! Imagine the alterations these seams have withstood throughout the years. They have served us well, but the time has come for an update, and therefore...

the community fundraising campaign will kick-off in June.
