Congratulations!

Nick Phairas,
2022 Top Scholar to
attend Appalachian
State University

Nick has been accepted to Appalachian State University. Nick is seeking a degree in Music Education at the App State Hayes School of Music. The Bachelor of Music in Music Performance degree provides skilled musicians with opportunities to develop expertise as professional performers or composers of solo, chamber and large ensemble music; as directors and performers of church music; or as university-level faculty following graduate study.

Allana Adams
to attend
North Carolina
Governor's School

Allana will be attending The North Carolina Governor's School this summer. The school is a multi-week summer residential program for gifted and talented high school students, integrating academic disciplines, the arts, and unique courses on each of two campuses. The curriculum focuses on the exploration of the most recent ideas and concepts in each discipline, and it does not involve credit, tests, or grades. Students are selected to attend through a competitive process after being nominated by their public school unit or non-public school.

May you both continue to soar in your music journeys!

NCBA All State Performance

The 2022 NCBA All State Music clinic and performance was held April 30 & May 1.

Congratulations to Adah Morton for auditioning and being selected for the All-State Band! She participated in a three day clinic at Chapel Hill this past weekend. At the end of the clinic, there was a phenomenal performance given for the public! Making the All-State Band is extremely competitive and a huge honor. Way to go!

Congratulations Adah Morton

Cause Every Hawk is Crazy 'bout a Sharp Dressed Band

North Buncombe High School's Marching Blackhawks is a community class act! You will find us marching down Main Street in both October and December, adding musical excitement to every home football game from August through October, and representing the North Buncombe School District at regional marching band competitions during September and October. Lots of people see us. This band of talented students is performing in uniforms that are 18 years old, (and we purchased them used)! Imagine the alterations these seams have withstood throughout the years. They have served us well, but the time has come for an update, and therefore...

the "Sharp Dressed Band" community fundraising campaign has begun! *(cue ZZ Top song!)*

Each uniform costs \$500. We need 120 uniforms (\$60,000)

Deadline to place uniforms order: December 15, 2022

Campaign Dates: June 1, 2022 - December 10, 2022

WILL YOU HELP PURCHASE A UNIFORM FOR AN EXCITED MARCHING BLACKHAWK STUDENT?
