

Sharp Dressed Band Uniform Fundraiser

This year, the Marching Blackhawks have grown in musicality and confidence by competing against other bands and performing at football games, school-related events, and community events. Through these band experiences our students learn how to be positive, contributing members of something bigger than themselves. This amazing marching band brought home two 1st place trophies, one 2nd place trophy, and one GRAND CHAMPION award!!

We are asking our community to rally around these deserving students and help them become: *A Sharp Dressed Band!*

Did you know that the uniforms our marchers are wearing are 18+ years old? They were purchased in used condition when ours were damaged in a flood. Aside from instruments, uniforms are the most expensive items we purchase. In June 2022 we started the "Sharp Dressed Band" uniform campaign to raise \$60,000. Throughout this year we have held fundraisers and partnered with several community sponsors to raise an amazing \$35,000. With our down payment goal met, we have chosen a uniform design that we hope to showcase in the fall. We are ready to begin the production process but need to raise an additional \$8,000 to fully cover the cost of outfitting our entire band and color guard.

The Marching Blackhawks do more than just rock the stadium at football games. They are an integral part of the Homecoming and Christmas parades. They perform in marching band competitions throughout the mountains and play at other community events in our area. Our band program is an integral part of our intermediate, middle and high schools. Imagine standing on the sidewalk during the Christmas Parade or in the stands of the football game. You are watching these SHARP-DRESSED young students playing and marching with pride.

The Blackhawk Community has been overwhelming in its support of our band. You may have received a letter from us last year or perhaps this is your first-time hearing about our campaign. We are reaching out again to our community to assist us in raising the last \$8,000. By contributing your dollars to this fundraising campaign, you are directly creating a legacy for these North Buncombe students and our Blackhawk community. 100% of every donation goes directly to the band program. NBHS Marching Band Boosters is a 501(c)(3) nonprofit organization.

Will you make a donation as a part of your charitable giving plan for 2023? Please help us make this goal come true.

Many thanks for the support you offer our band and our community.
